Hospital Key	
CIC	Cumberland Infirmary , Carlisle
NSECH	Northumbria Specialist Emergency Care Hospital, Cramlington
WGH	Wansbeck General Hospital, Ashington
NTGH	North Tyneside General Hospital, North Shields
RVI	Royal Victoria Infirmary , New castle upon Tyne
FRH	Freeman Hospital, New castle upon Tyne
QE	Queen Elizabeth Hospital, Gateshead
STDH	South Tyneside District Hospital, South Shields
SRH	Sunderland Royal Hospital, Sunderland
UHND	University Hospital of North Durham, Durham
DMH	Darlington Memorial Hospital, Darlington
UHNT	University Hospital of North Tees, Stockton-on-Tees
JCUH	James Cook University Hospital, Middlesbrough
FRIAR	Friarage Hospital, Northallerton

#### Rotations are subject to change.

Rotations will be allocated based on a candidate's overall assessment scores, i.e. the candidate who scored highest will be allocated a rotation first. We will then continue on this basis for the second highest scoring candidate, and so on.

***Please note that whilst we will try to allocate you to a rotation according to your preferences, the overriding priority will be to ensure patient safety and equal placement of trainees across our Trusts.***
